

Congregational Life – There for you!

With all the changes brought on by COVID-19 over the past 7 months, we have been challenged to bring you events that are within strict state guidelines. And we have been there for you! In **May**, although we were not able to have Family Camp at Forest Home, we had a **3-day virtual Family Camp**. Over 40 signed up to join us, starting with a Friday evening campfire and sing along. Saturday there were several events. And Sunday we all listened in to our LNPC Sunday worship service. Great & fun weekend!

Then in **August** we treated you to our first drive-in movie, featuring the great, original **Jungle Book!** Everyone watched from their own cars, while enjoying the yummy snacks provided. Although this was fun, we decided we needed a BIGGER screen than the blow up one we used.

So in **late September**, we got a HUGE white screen that goes from the 2nd floor of McCullen Center to the sidewalk below. With an even bigger crowd attending, we enjoyed watching **Monsters University**, while sitting in our cars. By using an FM transmitter, we can all tune into a specific frequency on our car radios and hear the sound from the movie. Very cool!

As we move toward Halloween, we have **another drive in movie for you** – Disney's **Coco!** And we will also be having a fun walk through costume parade with everyone distanced & masked. The treats will be even bigger and better. So be sure to join us for a fun evening on **October 30!** We'll see you at the *spooktacular* LNPC parking lot for an evening of festive fun and a great movie! Be sure to let us know you're coming so we'll have plenty of treats!
